

Full Time Physical Therapist

Stronger Together:

ATI is the largest outpatient physical therapy company under one brand, growing to over 900 locations in 24 states. We work hard to preserve our friendly atmosphere with our innovative, vibrant, and team-based culture. Collaboration is at the heart of what we do, and it's guided by our National Outcomes Registry which has over 3 million patient cases to support our best practices for excellence in treatment as well as continually contributing to the body of research that supports the value of physical therapy in musculoskeletal healthcare. Whether you are new or returning or just familiar with our brand, we are excited to share the resources that support your personal and professional growth.

Clinician Support:

- 90% of our therapists average less than 12 patients per day
- Clinical structure allows professionals to operate at the top of their license
- Proprietary EMR and Patient Management Tool - *built by therapists for therapists*
- Become a part of the next generation of PT leaders through clinical training, CEUs, professional development, and leadership training

In addition to a competitive compensation package with an incentive plan and all the benefits you'd expect from an industry leader (401K matching program, insurance, \$25,000 Loan reimbursement in select markets, paid time off, employee assistance, etc.) you will also enjoy:

- Structured mentorship
- No cost live and online CEUs
- ATI Academy- access to learning and leadership training programs
- Residencies in Sports Medicine and Orthopedic
- Upper Extremities Fellowships
- Musculoskeletal Certificate (MSK)
- Top-of-the-line equipment, research, & technology

This position is responsible for the evaluation and treatment of patients, establishing outcomes-centered plans, and delivering effective care management across a patient's episode to ensure timely, progressive, and high-valued care for those we serve. Successful physical therapist operates at the top of their license, appropriately leveraging and delegating care amongst the clinic care team, driving toward consistent and predictably positive outcomes for our patients.

Applicants must be licensed or license eligible in the state to which they are applying.
